(a) State plan

In the case of any applicable program in which Federal funds are made available to local agencies in a State through or under the supervision of a State board or agency, the Secretary may require the State to submit a plan for monitoring compliance by local agencies with Federal requirements under such program and for enforcement by the State of such requirements. The Secretary may require such plan to provide—

In order to enforce the Federal requirements under any applicable program the State may—

(1) withhold approval, in whole or in part, of the application of a local agency for funds under the program until the State is satisfied that such requirements will be met; except that the State shall not finally disapprove such an application unless the State provides the local agency an opportunity for a hearing before an impartial hearing officer and such officer determines that there has been a substantial failure by the local agency to comply with any of such requirements;

(2) suspend payments to any local agency, in whole or in part, under the program if the State has reason to believe that the local agency has failed substantially to comply with any of such requirements, except that (A) the State shall not suspend such payments until fifteen days after the State provides the local agency an opportunity to show cause why such action should not be taken and (B) no such suspension shall continue in effect longer than sixty days unless the State within such period provides the notice for a hearing required under paragraph (3) of this subsection;

(3) withhold payments, in whole or in part, under any such program if the State finds, after reasonable notice and opportunity for a hearing before an impartial hearing officer, that the local agency has failed substantially to comply with any of such requirements.

(c) Withholding of payments

Any withholding of payments under subsection (b)(3) of this subsection¹ shall continue until the State is satisfied that there is no longer a failure to comply substantially with any of such requirements.

§ 1232g. Family educational and privacy rights

(a) Conditions for availability of funds to educational agencies or institutions; inspection and review of education records; specific information to be made available; procedure for access to education records; reasonableness of time for such access; hearings; written explanations by parents; definitions

(1)(A) No funds shall be made available under any applicable program to any educational agency or institution which has a policy of denying, or which effectively prevents, the parents of students who are or have been in attendance at a school of such agency or at such institution, as the case may be, the right to inspect and review the education records of their children. If any material or document in the education record of a student includes information on more than one student, the parents of one of such students shall have the right to inspect and review only such part of such material or document as relates to such student or to be informed of the specific information contained in such part of such material. Each educational agency or institution shall establish appropriate procedures for the granting of a request by parents for access to the education records of their children within a reasonable period of time, but in no case more than forty-five days after the request has been made.

(B) No funds under any applicable program shall be made available to any State educational agency (whether or not that agency is an educational agency or institution under this section) that has a policy of denying, or effectively prevents, the parents of students the right to inspect and review the education records maintained by the State educational agency on their children who are or have been in attendance at any school of an educational agency or institution that is subject to the provisions of this section.

(C) The first sentence of subparagraph (A) shall not operate to make available to students in institutions of postsecondary education the following materials:

- (i) financial records of the parents of the student or any information contained therein;
- (ii) confidential letters and statements of recommendation, which were placed in the education records prior to January 1, 1975, if such letters or statements are not used for purposes other than those for which they were specifically intended;
- (iii) if the student has signed a waiver of the student's right of access under this subsection in accordance with subparagraph (D), confidential recommendations—

- (I) respecting admission to any educational agency or institution,
- (II) respecting an application for employment, and
- (III) respecting the receipt of an honor or honorary recognition.

(D) A student or a person applying for admission may waive his right of access to confiden-

tial statements described in clause (iii) of subparagraph (C), except that such waiver shall apply to recommendations only if (i) the student is, upon request, notified of the names of all persons making confidential recommendations and (ii) such recommendations are used solely for the purpose for which they were specifically intended. Such waivers may not be required as a condition for admission to, receipt of financial aid from, or receipt of any other services or benefits from such agency or institution.

(2) No funds shall be made available under any applicable program to any educational agency or institution unless the parents of students who are or have been in attendance at a school of such agency or at such institution are provided an opportunity for a hearing by such agency or institution, in accordance with regulations of the Secretary, to challenge the content of such student's education records, in order to insure that the records are not inaccurate, misleading, or otherwise in violation of the privacy rights of students, and to provide an opportunity for the correction or deletion of any such inaccurate, misleading or otherwise inappropriate data contained therein and to insert into such records a written explanation of the parents respecting the content of such records.

(3) For the purposes of this section the term "educational agency or institution" means any public or private agency or institution which is the recipient of funds under any applicable program.

(4)(A) For the purposes of this section, the term "education records" means, except as may be provided otherwise in subparagraph (B), those records, files, documents, and other materials which—

- (i) contain information directly related to a student; and
- (ii) are maintained by an educational agency or institution or by a person acting for such agency or institution.

- (i) records of instructional, supervisory, and administrative personnel and educational personnel ancillary thereto which are in the sole possession of the maker thereof and which are not accessible or revealed to any other person except a substitute;
- (ii) records maintained by a law enforcement unit of the educational agency or institution that were created by that law enforcement unit for the purpose of law enforcement;
- (iii) in the case of persons who are employed by an educational agency or institution but who are not in attendance at such agency or institution, records made and maintained in the normal course of business which relate exclusively to such person in that person's capacity as an employee and are not available for use for any other purpose; or
- (iv) records on a student who is eighteen years of age or older, or is attending an institution of postsecondary education, which are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his professional or paraprofessional capacity, or assisting in that capacity, and which are made,

maintained, or used only in connection with the provision of treatment to the student, and are not available to anyone other than persons providing such treatment, except that such records can be personally reviewed by a physician or other appropriate professional of the student's choice.

(5)(A) For the purposes of this section the term "directory information" relating to a student includes the following: the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

(6) For the purposes of this section, the term "student" includes any person with respect to whom an educational agency or institution maintains education records or personally identifiable information, but does not include a person who has not been in attendance at such agency or institution.

(i) before November 19, 1974, if the allowed reporting or disclosure concerns the juvenile justice system and such system's ability to effectively serve the student whose records are released, or

(ii) after November 19, 1974, if—

(I) the allowed reporting or disclosure concerns the juvenile justice system and such system's ability to effectively serve, prior to adjudication, the student whose records are released; and

(II) the officials and authorities to whom such information is disclosed certify in writing to the educational agency or institution that the information will not be disclosed to any other party except as provided under State law without the prior written consent of the parent of the student.¹

(H) parents of a dependent student of such parents, as defined in section 152 of title 26;

¹ So in original. The period probably should be a semicolon.

Nothing in clause (E) of this paragraph shall prevent a State from further limiting the number or type of State or local officials who will continue to have access thereunder.

(2) No funds shall be made available under any applicable program to any educational agency or institution which has a policy or practice of releasing, or providing access to, any personally identifiable information in education records other than directory information, or as is permitted under paragraph (1) of this subsection, unless—

(B) except as provided in paragraph (1)(J), such information is furnished in compliance with judicial order, or pursuant to any lawfully issued subpoena, upon condition that parents and the students are notified of all such orders or subpoenas in advance of the compliance therewith by the educational institution or agency.

(3) Nothing contained in this section shall preclude authorized representatives of (A) the Comptroller General of the United States, (B) the Secretary, or (C) State educational authorities from having access to student or other records which may be necessary in connection with the audit and evaluation of Federally-supported education programs, or in connection with the enforcement of the Federal legal requirements which relate to such programs: *Provided*, That except when collection of personally identifiable information is specifically authorized by Federal law, any data collected by such officials shall be protected in a manner which will not permit the personal identification of students and their parents by other than those officials, and such personally identifiable data shall be destroyed when no longer needed for such audit, evaluation, and enforcement of Federal legal requirements.

(4)(A) Each educational agency or institution shall maintain a record, kept with the education records of each student, which will indicate all individuals (other than those specified in paragraph (1)(A) of this subsection), agencies, or organizations which have requested or obtained access to a student's education records maintained by such educational agency or institution, and which will indicate specifically the legitimate interest that each such person, agency, or organization has in obtaining this information. Such record of access shall be available only to parents, to the school official and his assistants who are responsible for the custody of such records, and to persons or organizations authorized in, and under the conditions of, clauses (A) and (C) of paragraph (1) as a means of auditing the operation of the system.

(B) With respect to this subsection, personal information shall only be transferred to a third party on the condition that such party will not permit any other party to have access to such information without the written consent of the parents of the student. If a third party outside the educational agency or institution permits

access to information in violation of paragraph (2)(A), or fails to destroy information in violation of paragraph (1)(F), the educational agency or institution shall be prohibited from permitting access to information from education records to that third party for a period of not less than five years.

(5) Nothing in this section shall be construed to prohibit State and local educational officials from having access to student or other records which may be necessary in connection with the audit and evaluation of any federally or State supported education program or in connection with the enforcement of the Federal legal requirements which relate to any such program, subject to the conditions specified in the proviso in paragraph (3).

(6)(A) Nothing in this section shall be construed to prohibit an institution of postsecondary education from disclosing, to an alleged victim of any crime of violence (as that term is defined in section 16 of title 18), or a nonforcible sex offense, the final results of any disciplinary proceeding conducted by such institution against the alleged perpetrator of such crime or offense with respect to such crime or offense.

(B) Nothing in this section shall be construed to prohibit an institution of postsecondary education from disclosing the final results of any disciplinary proceeding conducted by such institution against a student who is an alleged perpetrator of any crime of violence (as that term is defined in section 16 of title 18), or a nonforcible sex offense, if the institution determines as a result of that disciplinary proceeding that the student committed a violation of the institution's rules or policies with respect to such crime or offense.

(C) For the purpose of this paragraph, the final results of any disciplinary proceeding—

(i) shall include only the name of the student, the violation committed, and any sanction imposed by the institution on that student; and

(ii) may include the name of any other student, such as a victim or witness, only with the written consent of that other student.

(7)(A) Nothing in this section may be construed to prohibit an educational institution from disclosing information provided to the institution under section 14071 of title 42 concerning registered sex offenders who are required to register under such section.

(B) The Secretary shall take appropriate steps to notify educational institutions that disclosure of information described in subparagraph (A) is permitted.

Not later than 240 days after October 20, 1994, the Secretary shall adopt appropriate regulations or procedures, or identify existing regulations or procedures, which protect the rights of privacy of students and their families in connection with any surveys or data-gathering activities conducted, assisted, or authorized by the Secretary or an administrative head of an educational agency. Regulations established under this subsection shall include provisions controlling the use, dissemination, and protection of

such data. No survey or data-gathering activities shall be conducted by the Secretary, or an administrative head of an education agency under an applicable program, unless such activities are authorized by law.

(d) Students' rather than parents' permission or consent

For the purposes of this section, whenever a student has attained eighteen years of age, or is attending an institution of postsecondary education, the permission or consent required of and the rights accorded to the parents of the student shall thereafter only be required of and accorded to the student.

(e) Informing parents or students of rights under this section

No funds shall be made available under any applicable program to any educational agency or institution unless such agency or institution effectively informs the parents of students, or the students, if they are eighteen years of age or older, or are attending an institution of postsecondary education, of the rights accorded them by this section.

(f) Enforcement; termination of assistance

The Secretary shall take appropriate actions to enforce this section and to deal with violations of this section, in accordance with this chapter, except that action to terminate assistance may be taken only if the Secretary finds there has been a failure to comply with this section, and he has determined that compliance cannot be secured by voluntary means.

(g) Office and review board; creation; functions

The Secretary shall establish or designate an office and review board within the Department for the purpose of investigating, processing, reviewing, and adjudicating violations of this section and complaints which may be filed concerning alleged violations of this section. Except for the conduct of hearings, none of the functions of the Secretary under this section shall be carried out in any of the regional offices of such Department.

(h) Disciplinary records; disclosure

Nothing in this section shall prohibit an educational agency or institution from—

(1) including appropriate information in the education record of any student concerning disciplinary action taken against such student for conduct that posed a significant risk to the safety or well-being of that student, other students, or other members of the school community; or

(2) disclosing such information to teachers and school officials, including teachers and school officials in other schools, who have legitimate educational interests in the behavior of the student.

(i) Drug and alcohol violation disclosures

(1) In general

Nothing in this Act or the Higher Education Act of 1965 [20 U.S.C. 1001 et seq.] shall be construed to prohibit an institution of higher education from disclosing, to a parent or legal guardian of a student, information regarding any violation of any Federal, State, or local

law, or of any rule or policy of the institution, governing the use or possession of alcohol or a controlled substance, regardless of whether that information is contained in the student's education records, if—

(A) the student is under the age of 21; and

(B) the institution determines that the student has committed a disciplinary violation with respect to such use or possession.

(2) State law regarding disclosure

Nothing in paragraph (1) shall be construed to supersede any provision of State law that prohibits an institution of higher education from making the disclosure described in subsection (a) of this section.

(4) the limitation of any deferral of Federal financial assistance which may be imposed by the Secretary to a period not to exceed 15 days after the rendering of such decision unless there has been an express finding on such record that such agency has failed to comply with any such nondiscrimination provision of Federal law; and

(5) procedures, which shall be established by the Secretary, to ensure the availability of sufficient funds, without regard to any fiscal year limitations, to comply with the decision of such judge.

(c) Failure to comply with imposition of quotas

It shall be unlawful for the Secretary to defer or limit any Federal financial assistance on the basis of any failure to comply with the imposition of quotas (or any other numerical requirements which have the effect of imposing quotas) on the student admission practices of an institution of higher education or community college receiving Federal financial assistance.

SUBCHAPTER REFERRED TO IN OTHER SECTIONS

This subchapter is referred to in section 8071h of this title.

§ 1234. Office of Administrative Law Judges

(a) Establishment; duties

The Secretary shall establish in the Department of Education an Office of Administrative Law Judges (hereinafter in this subchapter referred to as the “Office”) which shall conduct—

- (1) recovery of funds hearings pursuant to section 1234a of this title,
- (2) withholding hearings pursuant to section 1234d of this title,
- (3) cease and desist hearings pursuant to section 1234e of this title, and
- (4) other proceedings designated by the Secretary.

(b) Appointment

The administrative law judges (hereinafter “judges”) of the Office shall be appointed by the Secretary in accordance with section 3105 of title 5.

(c) Employment requirements; chief judge

The judges shall be officers or employees of the Department. The judges shall meet the requirements imposed for administrative law judges pursuant to section 3105 of title 5. In choosing among equally qualified candidates for such positions the Secretary shall give favorable consideration to the candidates’ experience in State or local educational agencies and their knowledge of the workings of Federal education programs in such agencies. The Secretary shall designate one of the judges of the Office to be the chief judge.

(d) Assignment of judges

For the purposes of conducting hearings described in subsection (a) of this section, the chief judge shall assign a judge to each case or class of cases. A judge shall be disqualified in any case in which the judge has a substantial interest, has been of counsel, is or has been a material witness, or is so related to or connected with any party or the party’s attorney as to make it improper for the judge to be assigned to the case.

(e) Review and evidentiary functions

The judge shall review and may require that evidence be taken on the sufficiency of the preliminary departmental determination as set forth in section 1234a of this title.

(f) Conduct of proceedings; costs and fees of parties

(1) The proceedings of the Office shall be conducted according to such rules as the Secretary shall prescribe by regulation in conformance with the rules relating to hearings in title 5, sections 554, 556, and 557.

(2) The provisions of title 5, section 504, relating to costs and fees of parties, shall apply to the proceedings before the Department.

(g) Discovery; scope, time, etc.; issue and enforcement of subpoenas

(1) In order to secure a fair, expeditious, and economical resolution of cases and where the judge determines that the discovered information is likely to elicit relevant information with respect to an issue in the case, is not sought primarily for the purposes of delay or harassment, and would serve the ends of justice, the judge may order a party to—

(A) produce relevant documents;

(B) answer written interrogatories that inquire into relevant matters; and

(C) have depositions taken.

The judge shall set a time limit of 90 days on the discovery period. The judge may extend this period for good cause shown. At the request of any party, the judge may establish a specific schedule for the conduct of discovery.

(2) In order to carry out the provisions of subsections (f)(1) and (g)(1) of this section, the judge is authorized to issue subpoenas and apply to the appropriate court of the United States for enforcement of a subpoena. The court may enforce the subpoena as if it pertained to a proceeding before that court.

(h) Mediation of disputes

The Secretary shall establish a process for the voluntary mediation of disputes pending before the Office. The mediator shall be agreed to by all parties involved in mediation and shall be independent of the parties to the dispute. In the mediation of disputes the Secretary shall consider mitigating circumstances and proportion of harm pursuant to section 1234b of this title. In accordance with rule 408 of the Federal Rules of Evidence, evidence of conduct or statements made in compromise negotiations shall not be admissible in proceedings before the Office. Mediation shall be limited to 120 days, except that the mediator may grant extensions of such period.

(i) Professional personnel; employment, assignment, or transfer

The Secretary shall employ, assign, or transfer sufficient professional personnel, including judges of the Office, to ensure that all matters brought before the Office may be dealt with in a timely manner.

This section is referred to in sections 1234d, 8071h of this title.

§ 1234a. Recovery of funds**(a) Preliminary departmental decision; grounds of determination; notice requirements; prima facie case; amount of funds recoverable**

(1) Whenever the Secretary determines that a recipient of a grant or cooperative agreement under an applicable program must return funds because the recipient has made an expenditure of funds that is not allowable under that grant or cooperative agreement, or has otherwise failed to discharge its obligation to account properly for funds under the grant or cooperative agreement, the Secretary shall give the recipient written notice of a preliminary departmental decision and notify the recipient of its right to have that decision reviewed by the Office and of its right to request mediation.

(2) In a preliminary departmental decision, the Secretary shall have the burden of establishing a prima facie case for the recovery of funds, including an analysis reflecting the value of the program services actually obtained in a determination of harm to the Federal interest. The facts to serve as the basis of the preliminary departmental decision may come from an audit report, an investigative report, a monitoring report, or other evidence. The amount of funds to be recovered shall be determined on the basis of section 1234b of this title.

(3) For the purpose of paragraph (2), failure by a recipient to maintain records required by law, or to allow the Secretary access to such records, shall constitute a prima facie case.

(b) Review of preliminary departmental decision; form and contents of application for review; inadequate preliminary decisions; duties of recipient to subrecipients after preliminary decision; burden of proof

(1) A recipient that has received written notice of a preliminary departmental decision and

that desires to have such decision reviewed by the Office shall submit to the Office an application for review not later than 60 days after receipt of notice of the preliminary departmental decision. The application shall be in the form and contain the information specified by the Office. As expeditiously as possible, the Office shall return to the Secretary for such action as the Secretary considers appropriate any preliminary departmental decision which the Office determines does not meet the requirements of subsection (a)(2) of this section.

(2) In cases where the preliminary departmental decision requests a recovery of funds from a State recipient, that State recipient may not recover funds from an affected local educational agency unless that State recipient has—

(A) transmitted a copy of the preliminary departmental decision to any affected subrecipient within 10 days of the date that the State recipient in a State administered program received such written notice; and

(B) consulted with each affected subrecipient to determine whether the State recipient should submit an application for review under paragraph (1).

(3) In any proceeding before the Office under this section, the burden shall be upon the recipient to demonstrate that it should not be required to return the amount of funds for which recovery is sought in the preliminary departmental decision under subsection (a) of this section.

(c) Time for hearing

A hearing shall be set 90 days after receipt of a request for review of a preliminary departmental decision by the Office, except that such 90-day requirement may be waived at the discretion of the judge for good cause.

(d) Review of findings of fact in preliminary decision; conclusiveness; remand; new or modified findings

(1) Upon review of a decision of the Office by the Secretary, the findings of fact by the Office, if supported by substantial evidence, shall be conclusive. However, the Secretary, for good cause shown, may remand the case to the Office to take further evidence, and the Office may thereupon make new or modified findings of fact and may modify its previous action. Such new or modified findings of fact shall likewise be conclusive if supported by substantial evidence.

(2) During the conduct of such review, there shall not be any ex parte contact between the Secretary and individuals representing the Department or the recipient.

(e) Time for filing petition for review of preliminary decision

Parties to the proceeding shall have 30 days to file a petition for review of a decision of the administrative law judges with the Office of the Secretary.

(f) Stay of collection or other adverse action by Secretary against recipient

(1) If a recipient submits a timely application for review of a preliminary departmental decision, the Secretary shall take no collection ac-

tion until the decision of the Office upholding the preliminary Department decision in whole or in part becomes final agency action under subsection (g) of this section.

(2) If a recipient files a timely petition for judicial review under section 1234g of this title, the Secretary shall take no collection action until judicial review is completed.

(3) The filing of an application for review under paragraph (1) or a petition for judicial review under paragraph (2) shall not affect the authority of the Secretary to take any other adverse action under this subchapter against the recipient.

(g) Preliminary decision as final agency action

A decision of the Office regarding the review of a preliminary departmental decision shall become final agency action 60 days after the recipient receives written notice of the decision unless the Secretary either—

(1) modifies or sets aside the decision, in whole or in part, in which case the decision of the Secretary shall become final agency action when the recipient receives written notice of the Secretary's action, or

(2) remands the decision to the Office.

(h) Publication of decisions as final agency actions

The Secretary shall publish decisions that have become final agency action under subsection (g) of this section in the Federal Register or in another appropriate publication within 60 days.

(j) Compromise of preliminary departmental decisions; preconditions; notice requirements

(1) Notwithstanding any other provision of law, the Secretary may, subject to the notice requirements of paragraph (2), compromise any preliminary departmental decision under this section which does not exceed the amount agreed to be returned by more than \$200,000, if the Secretary determines that (A) the collection of any or all or the amount thereof would not be practical or in the public interest, and (B) the practice which resulted in the preliminary departmental decision has been corrected and will not recur.

(2) Not less than 45 days prior to the exercise of the authority to compromise a preliminary departmental decision pursuant to paragraph (1), the Secretary shall publish in the Federal Register a notice of intention to do so. The notice shall provide interested persons an opportunity to comment on any proposed action under this subsection through the submission of written data, views, or arguments.

(k) Limitation period respecting return of funds

No recipient under an applicable program shall be liable to return funds which were ex-

pending in a manner not authorized by law more than 5 years before the recipient received written notice of a preliminary departmental decision.

(I) Foregoing of interest during period of administrative review

No interest shall be charged arising from a claim during the administrative review of the preliminary departmental decision.

§ 1234b. Measure of recovery

(a) Amount returned proportionate to extent of harm violation caused to an identifiable Federal interest; reduction; determination of identifiable Federal interest

(1) A recipient determined to have made an unallowable expenditure, or to have otherwise failed to discharge its responsibility to account properly for funds, shall be required to return funds in an amount that is proportionate to the extent of the harm its violation caused to an identifiable Federal interest associated with the program under which the recipient received the award. Such amount shall be reduced in whole or in part by an amount that is proportionate to the extent the mitigating circumstances caused the violation.

(2) For the purpose of paragraph (1), an identifiable Federal interest includes, but is not limited to, serving only eligible beneficiaries; providing only authorized services or benefits; complying with expenditure requirements and conditions (such as set-aside, excess cost, maintenance of effort, comparability, supplement-not-supplant, and matching requirements); preserving the integrity of planning, application, recordkeeping, and reporting requirements; and maintaining accountability for the use of funds.

(b) Reduction or waiver of amount based on mitigating circumstances; burden of proof; determination of mitigating circumstances; weight, etc., of written request for guidance

(1) When a State or local educational agency is determined to have made an unallowable expenditure, or to have otherwise failed to discharge its responsibility to account properly for funds, and mitigating circumstances exist, as described in paragraph (2), the judge shall reduce such amount by an amount that is proportionate to the extent the mitigating circumstances caused the violation. Furthermore, the judge is authorized to determine that no recovery is justified when mitigating circumstances warrant. The burden of demonstrating the existence of mitigating circumstances shall be upon the State or local educational agency.

(2) For the purpose of paragraph (1), mitigating circumstances exist only when it would be unjust to compel the recovery of funds because the State or local educational agency—

(A) actually and reasonably relied upon erroneous written guidance provided by the Department;

(B) made an expenditure or engaged in a practice after—

(i) the State or local educational agency submitted to the Secretary, in good faith, a written request for guidance with respect to the expenditure or practice at issue, and

(ii) a Department official did not respond within 90 days of receipt by the Department of such request; or

(C) actually and reasonably relied upon a judicial decree issued to the recipient.

(3) A written request for guidance as described in paragraph (2) sent by certified mail (return receipt requested) shall be conclusive proof of receipt by the Department.

(4) If the Secretary responds to a written request for guidance described in paragraph (2)(B) more than 90 days after its receipt, the State or local educational agency that submitted the request shall comply with the guidance received at the earliest practicable time.

(5) In order to demonstrate the existence of the mitigating circumstances described in paragraph (2)(B), the State or local educational agency shall demonstrate that—

(A) the written request for guidance accurately described the proposed expenditure or practice and included the facts necessary for a determination of its legality; and

(B) the written request for guidance contained a certification by the chief legal officer of the State educational agency that such officer had examined the proposed expenditure or practice and believed the proposed expenditure or practice was permissible under then applicable State and Federal law; and

(C) the State or local educational agency reasonably believed that the proposed expenditure or practice was permissible under then applicable State and Federal law.

(6) The Secretary shall disseminate to State educational agencies responses to written requests for guidance, described in paragraph (5), that reflect significant interpretations of applicable law or policy.

(c) Review of written requests for guidance on periodic basis

The Secretary shall periodically review the written requests for guidance submitted under this section to determine the need for new or supplementary regulatory or other guidance under applicable programs.

(1) the practices or procedures of the recipient that resulted in the violation of law have been corrected, and that the recipient is in all other respects in compliance with the requirements of that program, provided that the recipient was notified of any noncompliance with such requirements and given a reasonable period of time to remedy such noncompliance;

(2) the recipient has submitted to the Secretary a plan for the use of those funds pursuant to the requirements of that program and, to the extent possible, for the benefit of the population that was affected by the failure to comply or by the misuse of funds that resulted in the recovery; and

(3) the use of those funds in accordance with that plan would serve to achieve the purposes of the program under which the funds were originally paid.

(b) Terms and conditions of repayment
